Gowns and tickets will be distributed on Wednesday, June 15, 2022. Please note that students at Harrington do not receive caps.

Each family will receive three tickets. If you are not going to use all three tickets, please return them to your child's homeroom teacher so they will be available for redistribution. We will make every effort to accommodate the needs of each family. If you have a special concern regarding tickets, please put your request in writing and forward to your child's homeroom teacher.

This is an exciting time for all of our students. Please continue to work with us to provide the structure needed to ensure a positive experience as your child's tenure at Harrington comes to a close. We look forward to seeing you at our ceremony, and thank you again for your ongoing support.

Please contact Mrs. Ayanna Roberts at aroberts@mtlaurelschools.org with any questions.

Thank you,
 Ayanna Roberts
 8th Grade Assistant Principal
