Dear Parents,

Preparation for our 8th grade graduation is underway. During these changing and challenging times, we do not know the exact details of our graduation ceremony but we are positive a recognition will take place.

Due to the pandemic, we cannot arrange for gown measurements at the school. Therefore, we are asking that you measure your child's height so we can accurately order his/her graduation gown.

In order for us to meet our deadline with the gown company, we ask that our you mail your payment along with a check or money in the amount of \$24.00 payable to:

Thomas E. Harrington Middle School
 Attn: Lynn Boyle - Gown
 514 Mount Laurel Road
 Mount Laurel, NJ 08054

We would like to receive payment on these gowns no later than Monday, December 21, 2020. Please write your child's first and last name in the memo portion of your check.

Please be aware that we do not use "caps" in our graduation ceremony and it will not be included in your gown order.

Please detach the bottom portion and send it in with your payment.

Thank you,

Ryan Caltabiano
 Principal
 T.E. Harrington Middle School
