

Everest 7

Dear Everest House Member,

Welcome to seventh grade, Harrington Middle School, and the Everest House! We are so excited to meet you and really look forward to a school year that promises to be successful, rewarding, and lots of fun!

We want you to have your best year yet, so please look at the list of materials below that you will need for each class. While additional supplies may be necessary along the way, this list will ensure that you are prepared and ready to get started in September. Also, don't forget to work on your summer reading assignment.

We are looking forward to sharing with you what we hope will be a positive and exciting adventure in your education. Enjoy the rest of your summer!
