

Zephyr...while others ride the winds of change,
we choose the direction!

August 2018

Dear Parents/Guardians and Students,

Welcome to seventh grade and to Harrington! We are excited to have you as part of the Zephyr House and look forward to meeting you in September. The 2018-2019 school year promises to be a challenging yet successful and rewarding one! There are many exciting things awaiting you this year, and we look forward to sharing them with you!

We consider parents/guardians an integral part of the educational team, and we encourage your involvement in your child's school activities. Some simple ways to do this are by joining the PTO, monitoring homework completion and use of a planner, helping to plan and organize project schedules, encouraging daily reading (with trips to the library), and setting clear expectations for your child. Also, we highly encourage parents to attend our Thomas E. Harrington Back to School Night.

Below is a supply list for each teacher that will inform you of the supplies needed for this upcoming school year.

We look forward to seeing you in September! Enjoy the rest of your summer!
Sincerely,

Zephyr 7th grade teachers
