

Summer, 2017

Dear Eighth Grade Students and Parents,

Summer is the ideal time of year to reflect and relax, and we hope you are making the most of your season so far! As you enjoy the many days left before September, you may start to look toward the future, specifically the beginning of eighth grade. It will be an excellent time for both academic and personal growth, and you should anticipate an eventful, enriching year. We are looking forward to it.

Everest House prides itself on diversity, cross-curricular learning, involvement in service projects, and educational experience. We want you to have your best year yet, so below is a list of materials for each class that will help you to have a strong start. While additional supplies may be necessary along the way, this list will ensure that you are prepared and ready to learn. We recommend that you coordinate your notebooks and folders by color - one for each class.

Language Arts: Composition Book, 1” Binder

Science: 3-Subject Notebook and a Folder

Math: Notebook, Folder, Scientific Calculator (TI-34 or equivalent)

Algebra/Geometry: TI-nspire CX Graphing Calculator, two 1.5 inch Binders

Social Studies: 3-Subject Notebook and a Folder

Additional Supplies: Highlighters, Colored Pencils, Loose-Leaf Paper, Glue Sticks

**\*\*Note: Keep in mind OFF-TEAM teachers (i.e. Algebra/Geometry, Elective classes) may require additional materials.**

We thank you in advance for your preparation. Eighth grade is a significant year for students to grow independently. With the support of your teachers, you can look forward to a successful year! Until then, enjoy your summer!

ALL students are required to purchase and have their own EAR BUDS (to be used in their classes). Students will keep them in their lockers and be responsible for them all year.

Sincerely,

Everest 8 Teachers,
