

Welcome to Phoenix House!

7TH GRADE

Don't just come back...Arrive

2017-2018

Hello, parents and students! We hope you've enjoyed your summer. The new school year is just around the corner and Phoenix 7 wants you to be ready. The 2017-2018 school year promises to be educational, rewarding, and fun.

Each student will receive a planner on the first day of school. Our house requires that students use their planner daily. It should be used to record assignments, share information, and take note of certain dates. Students should also become familiar with **Google Classroom** since many Harrington teachers will be posting resources, assignments, and collaborative tools online.

We consider parents an integral part of the learning community, and we encourage your involvement in your child's school activities. Some simple ways to do this are by joining the PTO, monitoring homework completion, **encouraging 20 minutes of daily reading**, checking on grades and upcoming assignments online, and working with us to set clear expectations for your child. We also encourage you to take advantage of the many opportunities to come into school throughout the year (i.e. Back to School Night, Parent/Teacher Conferences, etc.)

You will find a list of materials you will need for the upcoming school year printed on the back of this letter. We look forward to seeing you in September!

ALL students are required to purchase and have their own EAR BUDS (to be used in their classes). Students will keep them in their lockers and be responsible for them all year.

Your Phoenix Teachers,

Mr. Wagner	Social Studies	Ms. Mangla	Math
Ms. Estel	Language Arts	Mr. Corrado	Science
Mr. Dunn	Language Arts	Mrs. Wireback	Language Arts
Ms. Lubin (Randall)	Language Arts	Ms. Johnson	Language Arts
